The Silverzone Foundation recognizes that the teachers play an essential role in huge educational events such as Silverzone International Olympiads. We, therefore, invite the teachers to send their questions for incorporation in the Olympiads. Teachers may send any number of questions online or offline by 31st August. The questions will be selected by a panel of experts of the Foundation. (Please make photocopies of this form OR download it from www.silverzone.org). A prize of Rs. 500/- per selected question in the form of an honorarium will be given to the teachers. The selected questions will be incorporated into the forthcoming Silverzone Olympiads.
